Paige—

I'll look through my site photographs and forward ones relating to the sewer line.

I'll also check with Angela about the plumber, however, the 2 companies mentioned by (b) (6) were contacted. One was too busy to help us and the other never responded.

I'll get back to you later today or tomorrow.

Thanks,

Don

Hey Don –

Do you know if the first picture was taken when the line was broken in the back yard of the red house on poplar? THANKS!

Also – Would you check to see if Angela sent the RFP to Tony Moore? For the plumbing repair/sewer line replacement?

THANKS!

Definitely, here's a couple photos of the excavated backyards.

The 20181130 photo provides a good view of the sewer lines and cleanouts behind (b) (6) .

I believe you can see the cleanout behind (b) (6) on the left side of the 20191129 photo

I'll track down a photo of the restored backyards for Paige too

Let me know if you need anything else

Austin:

Can you send us pictures of the backyard of the excavated backyards for (b) (6) (FJD08 and FJD09)? We are trying to see where the the sewer line is located.

Thanks
